

# Hamilton Whatawhata F-Class Championship Meeting

7 April 2017

The Hamilton Whatawhata F-Class Champs held the on weekend of the 7/8 April. Saturday started overcast and shooting was held up with showers during the 900 yard shoot. Sunday conditions improved with little wind, moderate mirage and changing light due to clouds, which created sighting difficulties. The 800 yard range was scored on 600 yard target dimensions which was reflected in the scores.
