Nelson Championships, Westport 15-16 March 2025

Westport turned on a very gentle weekend for the 23 competitors. Nobody got beyond about one minute either side of zero, even back at 700 yards in the afternoon.

Checking on three different weather sites before the weekend, we had a wide choice from one forecasting showers most of the weekend, one saying fine all weekend, and the other having a bob each way. The fine one was the correct one and it was 25 degrees and sunny when we finished at 700 yards on Sunday. The range was probably the driest most of us had ever seen it.

The range was in great order thanks to the work done by Stuart Menzies and his assistants.

Competition was closest in B grade with Sam Riddle heading Jacob Morriss by 8 centres in the end.

Chris Kershaw took out the TR championship by one point from Malcolm Dodson with the two B graders a point further back.

In F Open Mike Chui and Murray Cook had a close tussle with Mike getting clear with a possible at the last 700. Their X counts were only one different. Both shot 5 possibles from the 7 ranges shot.

Classic was dominated by Charlie Ledbrook with a 13 point win, including 3 possibles, from Geoff Smith.

Willy Roundhill headed the all Kaituna field in FPR with a 4 point win from Karl Eggers.
