

## 2016 Hamilton Whatawhata F-Class and Open Championship Meeting. 2<sup>nd</sup> & 3<sup>rd</sup> April 2016

Weather on Saturday was near perfect, no wind, no mirage, so lots of V-bulls on the score sheets for the 600 and 900 yards. Slightly different conditions on Sunday, with squally showers, and strong winds, which challenged the shooters at 1000 yards.

Great turn out with 27 shooters and the club using electronic target marking for first time. Shooters are adding tablets to their kit on the mound now.

A very successful weekend all round.

F Open, FTR, TR A Grade and TR B grade winners

All medal and trophy winners
