

Wairarapa Championship 30 January 2022

The day was picture perfect and hot with a predicted high of 30Deg C forecast. We were not disappointed. After recent issues with the e-targets much hard work on these and the targets paid off with things running as expected.

Our friends from the Cheltenham Rifle Club arrived with one of their marques to help keep shooters from burning to a crisp.

True to form the Longridge Range convoluted winds arrived shortly after shooting commenced. Only 1 possible score was recorded in the TR class (at 800 yards ... you have to read on to find out who!) and 2 in the F-Open Class (2 @ 800 and 1 at 900). After mid-day, the mayhem with the wind was switched up a notch and the ritual slaughter of scores commenced. There were one or two "gems" but even the most experienced of shooters suffered a degree of pain.

On a brighter note we have had a new local, Harvey the Hare, step up and take on the mantle of range guardian from Phil the Pheasant (who met an untimely end and a lesson in road safety) ... on a plus side he does not peck at your ankles...
